# BOOKS

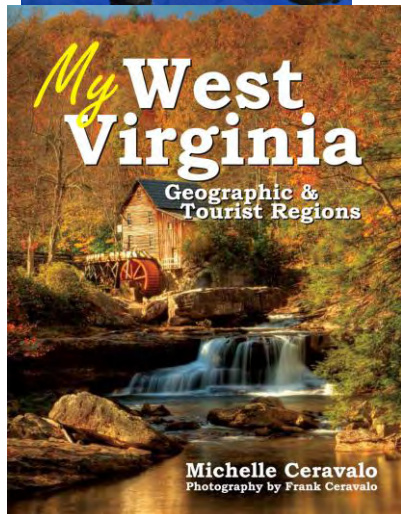

This hardcover with dustcover 8 1/2 x 11 book represents a body of my work in 112 pages focusing on panoramic images of WV. My first book of photography and it won the Photography/art division of the **2014 Great Midwest Book Festival in Chicago.**

New lower pricing for 2017!

## My West Virginia Journal and Activity Book

This 36 page (including the covers) 7x10 book is an activity book designed to be an interactive platform for kids 8-11. It focuses on West Virginia history and culture with puzzles, writing, interviews, and other activities. ISBN 978-1-942477-02-0

ISBN 978-1-882658-50-3 This is a perfect bound 36 page (including cover) 8 1/2 x 11 Text/workbook that meets state third grade objectives for West Virginia studies as well as Reading/Language Arts.

Students will investigate the tourist and geographic regions of West Virginia, explore map skills, and interact with the text through vocabulary, main idea and detail, and compare/contrast to build the base for developing study skills. Great for classrooms as well as home schools!

Class room sets are available that include 20 books and 1 free download of the Teachers Text.

Written by Michelle Ceravalo (an actual 3rd grade teacher for many years) with photos by Frank Ceravalo. Published by Headline Books of Terra Alta, WV, the 2015 Independent Publisher of the Year.
